PROJECT GOALS AND OBJECTIVES

Our goal is to dominate every scene and game we enter. We expect our players to give 100% effort and commit to rigorous training.

While we maintain a strict approach, we show gratitude and reward those who meet expectations.

Players and content creators help us grow, and we support their growth in return. Our aim is to build a strong community and secure a place in the e-sports scene.

PLAYERS RIGHTS

The players have the rights to claim items to make them comfortable. With their rights, they can ask any the Staff attributed for their team.

They have access to :

- A coach
- A designer
- A manager
- A moderator [and ask items with exception]

IMPLEMENTATION STRATEGY AND SPONSORS

Our strategy at Team Extremity is to push boundaries by creating engaging content that reaches a broad audience while promoting our brand and sponsors. Minidrop and Roxx Energy Drink. Through these partnerships, we're able to fund essential projects like developing our community, investing in our teams, and enhancing the overall experience within our organization.

With the support of Minidrop and Roxx Energy Drink, we're planning to build a state-of-the-art gaming house equipped with all the necessary amenities. This will allow us to host exclusive events, establish a global brand, and achieve worldwide dominance in the e-sports universe.
